2. Arizona law permits a Resident to cultivate and process up to six marijuana plants for personal use at an individual's primary residence and up to twelve plants where two 21 year old adults reside. Resident desires to take advantage of that law and will comply with that law and all other applicable laws.

3. Company warrants the Outdoor Grow House Kit for one year from delivery against defects in materials and workmanship.

4. The Outdoor Grow House Kit will be located at the Residence at the location designated by Resident. The Outdoor Grow House Kit must be located in a secure area not visible by the public, near a water source on level ground at the Residence and in such way so as to get maximum sunshine to the plants. Resident must supply a hose that can reach the Outdoor Grow House Kit from a water source. It should not be located under a tree, porch or overhang, wall, or other shaded areas. Nor should it be located within a drainage area, easement or any other area where there is an obstruction. The Resident shall be responsible for the placement and location of the Outdoor Grow House Kit on the property and shall designate and mark the South East and North East Corners of the Outdoor Grow House Kit prior to placement.

5. Resident is responsible for obtaining all building permits and Home Owners Association approvals, if required. Resident shall hold harmless and indemnify Company for all costs and expenses relating to Resident's failure to obtain such permits and approvals and Resident's cultivation and use of marijuana.

6. Resident is responsible for watering, care and cultivation of all plants in the Outdoor Grow House Kit and must do so on a regular basis to make sure the soil is moist and the plant is growing properly with good sun exposure, free from pests and critters.

7. If Resident engages Company for a Service Agreement, Company will provide care and cultivation of all plants in the Outdoor Grow House Kit. Under Company's Service Agreement, if any of the seeds do not germinate or any plant turns out to be a male plant, the Company will provide and plant a feminized auto flower replacement seed.

8. All claims arising out of this Agreement against the Company, its manager, members or agents regarding the installation and use of the Outdoor Grow House Kit, the Soils and the Service Agreement must

be brought within one year of the date of delivery or be forever barred with Company's maximum liability being the Purchase Price. All claims shall be subject to arbitration in accordance with AAA arbitration rules each party to bear its own attorneys' fees and costs.
